1. i 2. sat – RADNI ODGOJ - Grafomotoričke predvježbe - Praćenje zadanih linija

Današnji radni odgoj posvećujemo grafomotoričkim vježbama i predvještinama za pisanje!

Ovo je nešto što učenici u školi odrađuju u sklopu samostalnih aktivnosti, pa im možete zadati zadatak i dati uputu da ga moraju samostalno odraditi!

5. sat – RAZVOJ KREATIVNOSTI – Usvajanje jednostavnih plesnih koraka

Za kraj tjedna nam slijedi opuštanje uz ples! Pustite si dječje pjesmice. Zajedno plešite. Pokažite učeniku neke jednostavne plesne pokrete i potaknite ga da ponovi za Vama! Uživajte u plesu 😊
