

PETAK, 09.10.2020.

Evo nas na kraju još jednog tjedna nastave na daljinu! Hvala na fotografijama koje ste mi poslali, jako ste me obradovali! Danas se družimo prva tri sata, a nakon toga imate TZK. Budite vrijedni i marljivi, odmorite se preko vikenda i jedva čekam da se vidimo u ponedjeljak u školi!

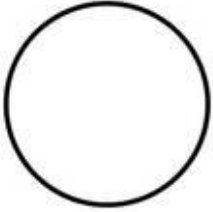

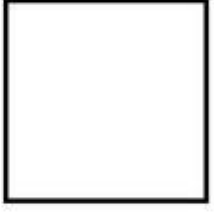

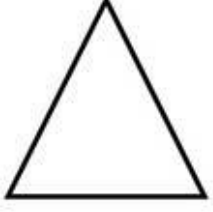

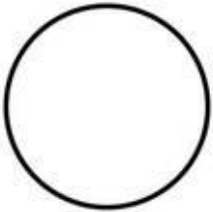

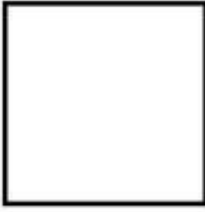

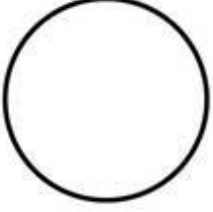

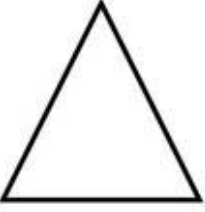

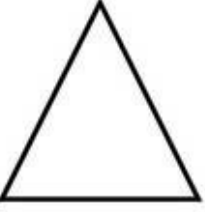

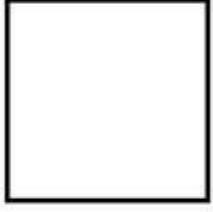

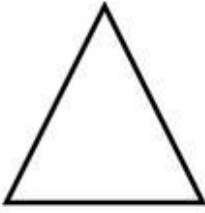

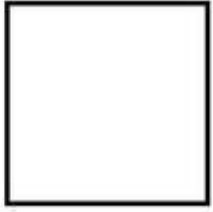

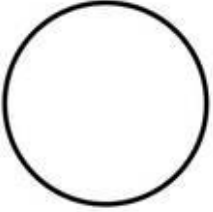

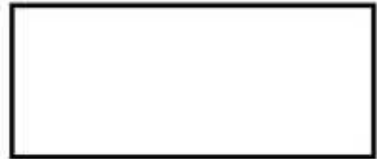

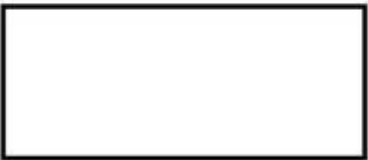

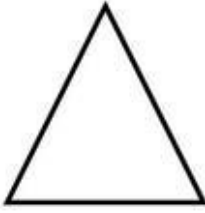

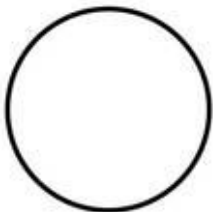

1. i 2. sat – RADNI ODGOJ - Grafomotoričke predvježbe -Bojanje po predlošku

Prošli tjedan smo se bavili šaranjem po papiru. Današnji zadatak nam je bojanje prema predlošku! Obojite nastavne listiće prema unaprijed zadanom predlošku. Usput imenujte boje s kojima bojite određene oblike.

	CRVENA
	NARANČASTA
	ŽUTA
	ZELENA

3. sat – RAZVOJ KREATIVNOSTI - Sviranje - Praćenje takta i ritma tijelom

Došli smo do zadnjeg sata druženja ovaj tjedan! Za kraj tjedna preslušajte dječje pjesmice na sljedećoj poveznici te ih pratite pokretima tijela – pljeskanjem, ljuljanjem u ritmu pjesmice ili sviranjem zvečki ukoliko ih imate doma! Na pjesmicama s pokretima koje smo učili u školi možete ponavljati pokrete (kad si sretan)

Budite vrijedni i marljivi još na TZK i vidimo se idući tjedan u školi! Jako vam se veselim!
