

**ZELENOM** BOJOM OBOJI SVA VOZILA KOJA SE VOZE PO CESTI, A **PLAVOM** BOJOM SVA VOZILA KOJA SE VOZE PO VODI!

Ovaj zadatak riješite na način da za svako vozilo dijete pitate vozi li se to vozilo po cesti / zraku. Dijete vam na pitanje treba odgovoriti s DA ili NE. Na primjer, pitajte dijete „Auto se vozi po vodi?“, ili „Brod se vozi po cesti?“.
